

# ThermaReady™ Chilled 48h for Life Science

Pre-qualified parcel shippers designed for a more sustainable Life Science supply chain.

An all-in-one solution to ship your product **COLD** for up to 48h.

- ✓ Shipper
- ✓ Insulation panels
- ✓ ThermaBrick® Refrigerant Bricks

Carbon Footprint 77% lower than EPS

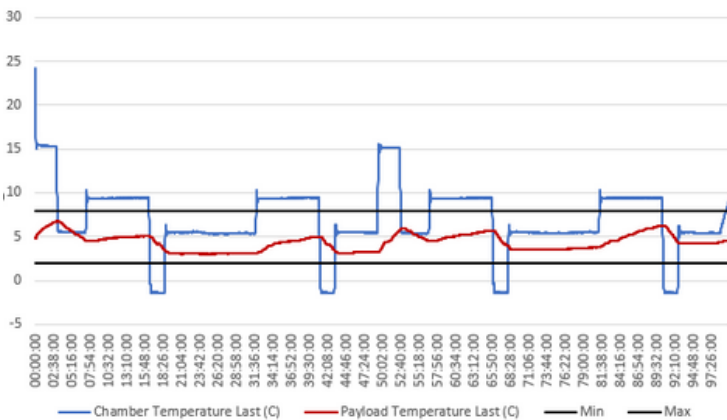

### Performance:

- 2 to 8°C
- Up to 48-hour shipping duration
- 3L, 7L and 13L payload boxes
- Proven performance to AFNOR standard
- Designed for Life Sciences
- Easy set-up
- Custom branding available

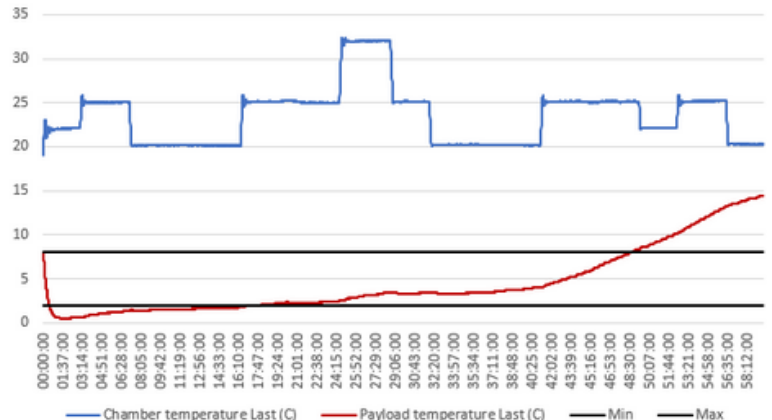

### Eco Friendly:

- Insulation made of recycled PET
- Recyclable
- Footprint 77% lower than EPS
- Re-usable shipper
- Locally sourced components
- Designed to reduce empty space
- Optimised payload box

PROVEN PERFORMANCE - AFNOR Winter Profile | 3L

PROVEN PERFORMANCE - AFNOR Summer Profile | 3L

## ThermaBrick® Refrigerant Bricks Key Features:

- Cost-effective cooling capacity
- Efficiently optimizes the contents to minimize box weight
- The foam absorbency actively masks cost leaks and punctures
- Targets dimensional weight pricing strategies

## Value you can count on:

- Short assembly time
- Flat packed (saves on shipping costs and warehouse space)

48h | 2 to 8°C

Flat-packed

Quick assembly

100% Recyclable

## Summer Profile

Description	Weight	External dimensions	Payload box dimensions	Temperature range	ThermaBrick® Refrigerant Bricks	Conditioning	Bench time
3L Shipper	3.50kg	288x288x288mm	175x140x120mm	Refrigerated	4x PCM0	Freezer	20mins
7L Shipper	6.70kg	360x360x360mm	230x200x170mm	Refrigerated	4x PCM0	Freezer	20mins
13L Shipper	9.80kg	410x410x410mm	300x240x240mm	Refrigerated	4x PCM0	Freezer	20mins

## Winter Profile

Description	Weight	External dimensions	Payload box dimensions	Temperature range	ThermaBrick® Refrigerant Bricks	Conditioning	Bench time
3L Shipper	1.40kg	288x288x288mm	175x140x120mm	Refrigerated	1x PCM0	Freezer	20mins
7L Shipper	2.70kg	360x360x360mm	230x200x170mm	Refrigerated	1x PCM0	Freezer	20mins
13L Shipper	3.80kg	410x410x410mm	300x240x240mm	Refrigerated	1x PCM0	Freezer	20mins
